Information	

Dear Sir,

I wish to apply for an extension to my Development Application for a period of 6 years.

The reference number is MCUC1443\_2016 (772930)

The property is Lot55 on RP 739766.

The reason for the extension is that the builder has cancelled due to the Coronavirus, and there is much future uncertainty with the immediate economy.

Thank you,

Angus Henderson
