**Subject:** Helicopter pad.

Hi

Just a big no from 10/9 Craven Close, and 2 and 3 at 48 mudlo that I have no intention of living with the amount of noise from helicopter pad proposed.

BIG NO. can't believe its even being considered. Especially in an area where there is so many birds and bats and humans living. Talk about making a peaceful village into a little stress ball.

I object.

Thanks

Tina
