Subject: Proposed Development Application Ref CA2275/2017
Attachments: [REDACTED]

Reference :Lot 410 PTD2091

Good afternoon,

[REDACTED] we wish to make a submission concerning the proposed development.

As an overview we welcome development for the benefit of the Port Douglas Shire and feel the developers have considered our property when designing this development.

We have no objection to the development proposal as supplied to us in the attachment and ask only that the developer undertake a dilapidation report to protect our properties interests.
