Dear Jenny

RE: Withdraw of ROL Lot 3 on RP720296 Junction Road Mossman

MiCorp Town Planning on behalf of the Quaid family, property owners of Lot 3 on RP720296 at Junction Road Mossman, write to advise Douglas Shire Council (formerly Cairns Regional Council) that due to extraneous and in our client, the Quaid family's opinion unreasonable requests for additional information related to this ROL that we wish to withdraw the development application.

We are extremely disappointed with the management of the overall development application process suffering extreme time delays in receiving feedback from Council in regards to the engineering issues and this has cost the Quaid family dearly in holding costs and additional consultancy services for a development application that for all intents and purposes was very similar to that was previously approved. On this basis the Quaid family requests a full refund of the development application fees paid and withdrawal of this development application.

Yours sincerely
