Douglas Shire Council – Privacy Collection Notice:

Douglas Shire Council collects and manages personal information in the course of performing its activities, functions and duties. We respect the privacy of the personal information held by us. The way in which the council manages personal information is governed by *the Information Privacy Act 2009* (Qld). We are collecting your personal information in accordance with the *Local Government Act 2009* so that we can assess and finalise your application. Generally, we will not disclose your personal information outside of Council unless we are required to do so by law, or unless you have given us your consent to such disclosure. For further information about how we manage your personal information please see our Information Privacy Policy.

FEE SCHEDULE

New or Amended Application	\$336.00
----------------------------	----------

DEBTOR ACCOUNT TERMS & CONDITIONS

Renewals and associated fees and charges will be invoiced by Douglas Shire Council via a debtor account to the Applicant.

The Applicant shall settle all accounts in full no later than the due date shown on the invoices.

Where debtor accounts are overdue by 60 days or more, the debt may be referred to a credit reference agency and your permit/approval/license may be suspended or cancelled.

In the case that the Applicant shall be a company acting as a trustee for the trust, the Applicant hereby acknowledges that the trust shall be liable on the account, has sufficient assets to meet payment of the debtor account and is empowered to enter into the account agreement.

CONDITIONS

Ensure Trade Waste Approval renewal fee is paid prior to the expiry of the current Trade Waste Approval.

Trade Waste fees and charges include, but are not limited to, application fees, renewal fees, volume charges, sewer loading charges and inspection charges imposed as a result of your failure to comply with the conditions of this Trade Waste Approval.

Provide, maintain and service the pre-treatment facilities existing at the time this Trade Waste Approval is issued, or installed as a requirement of this Trade Waste Approval and ensure the facilities are accessible at all times

Special conditions may be required relating to specific pre-treatment facilities.

Engage the services of a licensed Liquid Waste Carrier to collect and dispose of all residual waste from the facility at a frequency as stated on the approval.

Maintain detailed servicing records for the facility. Servicing records must be made available to Douglas Shire Council upon inspection and /or request.

Notify Douglas Shire Council at least fourteen (14) days prior to change of ownership of business or occupancy of the property.

The discharge of trade waste to sewer must comply at all times with Douglas Shire Council's sewer admission limits.

Do not vary any discharge procedure or alter any manufacturing process that is likely to affect the quality of trade waste discharge to Council's sewerage infrastructure without the prior approval of Douglas Shire Council.

Allow any authorised representative of Douglas Shire Council to access the property for the purpose of carrying out inspections and the collection of samples of trade waste.

Retain a copy of your Trade Waste Approval on the property.

Ensure any plumbing and drainage work associated with the installation of any pre-treatment facility is undertaken in accordance with the requirements of each of the *Plumbing and Drainage Act 2002* and the *Water Supply (Safety and Reliability) Act 2008*. Works must be carried out by a licensed plumber who is required to lodge an application with Council prior to installation.

This Trade Waste Approval is not transferable or refundable.

Failure to comply with a condition of this Trade Waste Approval may result in Douglas Shire Council suspending or cancelling your Approval to discharge Trade Waste into the sewerage infrastructure of Council, and may leave you liable to prosecution under the *Water Supply (Safety and Reliability) Act 2008*.
