Refine magazines by language.

The screenshot shows a library website interface. At the top, it says "Available magazines in English in Newly Added Magazines" and "Listing 1,000 magazines". Below this is a "Preferences" section. On the right side, there is a "Refine" button with a dropdown arrow, which is highlighted with a red box. The dropdown menu is open, showing various filters: Format (1 of 1), Subject (0 of 26), Language (1 of 1), Audience (0 of 3), Supports (0 of 1), Availability (Available Now), and Sort By (Date Added). There is also a "Search Within Results..." option at the bottom of the dropdown. The main content area displays several magazine covers, including "Best Health", "Motorcycle Mojo Magazine", and "Canadian Living Special Issues".

The screenshot shows a search filter box. It has a back arrow and the text "Search Within Results...". Below this is a text input field containing the word "Australia". To the right of the input field is a "Search" button.

Search keywords like "Australia" within results to see local titles.
