

## **88. PUBLIC LIABILITY INSURANCE FOR FACILITY HIRE AND PRESCRIBED ACTIVITY APPROVALS POLICY**

---

### **Purpose**

This policy outlines the public liability insurance requirements for Council facilities hire and prescribed activity approval holders during the hire period or the period of currency of any approval.

### **Scope**

This policy applies across Council and to members of the public and entities who engage with Council to hire facilities or require approval to undertake an activity under the local laws or Local Government Act 2009.

### **Principles**

Public liability insurance provides protection for an approval holder/hirer and provides a measure of protection for Council, in the event of an adverse incident resulting in an injured party/parties.

Where the insured activity of the approval holder/hirer involves the use of Council owned or controlled land or facilities, Council is potentially vulnerable to litigation in the event that loss, damage or injury occurs as a result of the activity being conducted.

### **Public Liability Insurance Levels**

The amount of public liability insurance cover will vary depending on the nature of the approval and the potential risks to Council.

The level of cover applicable is determined by Council conducting a risk assessment, with the likelihood of an incident occurring and the consequences determining the level of risk. The attached Appendix A displays common activities for which public liability insurance is required. These activities have been risk assessed by Council's Workplace Health and Safety Advisor and an authorised person, and provides a guide for the necessary level of cover an approval holder will need to provide.

### **Council as an Interested Party**

Persons conducting events or activities on Council owned or controlled land or facilities must ensure that Council is indemnified against liability arising from acts of negligence.

It is a requirement that Council is noted as an interested party on any contract or policy taken out by an approval holder/hirer.

Douglas Shire Council as an Interested Party – Council is not deemed a party to the insurance contract but can still make a claim under the policy.

Where an approval holder/hirer for a policy is advised by their proposed insurer that the company will not allow Council to be added to the contract or policy, the approval holder/hirer will need to seek an alternative contract or policy with an insurer who will add Council as an Interested Party.

## Exemptions

In certain circumstances, Council may waive the requirement to hold Public Liability insurance.

These circumstances include:

- **Where Council is prepared to accept full responsibility for public liability insurance:**
  - Use of privately owned land or facilities by Council for public purposes where Council has some degree of operational control e.g. use of privately owned land for a public carpark.
- **Where a permit is required to be obtained under local law, but the activity takes place on private property** e.g. Where a permit is required to erect advertising signage on private property. In this instance, ongoing responsibility for public liability issues rests with the property owner.
- **Where a person is a Casual User of a Council facility or public land e.g. hall, park, road reserve**  
Council's own policy covers natural persons who are defined as a Casual User.

A casual hirer is defined to be an individual or a group who enters into an agreement for use of a Council facility or Council-controlled area, where that individual or group:

- Is non-commercial;
- Is not incorporated,
- Is not involved in high-risk sports; and
- Hires a Council facility no more than 12 days per year.

Cover is not provided for incorporated bodies, sporting clubs or associations of any kind.

Casual users will agree to Council's release and indemnity clause which is included on all application forms.

See Appendix B for Council's release and Indemnity Clause and Casual User Agreement.
